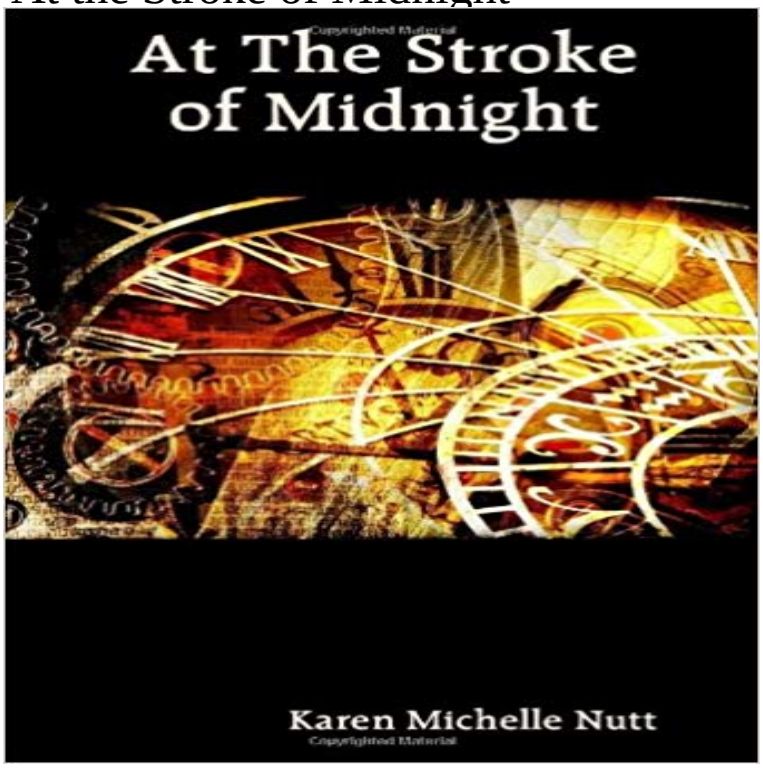
At the Stroke of Midnight



Tricia Lancaster, a reporter for a small time newspaper volunteered to cover the story of Dean McClouds life. Even though the actor died before she was born, she felt a connection to him. She thought if she wrote the story, her curiosity would be satisfied and she could move on with her life. When shes miraculously transported back in time and she finds out its a few days before Dean killed himself, she realizes she has a chance to save him. However, after meeting the overconfident movie star, shes convinced he didnt kill himself. Someone else pulled the trigger. Dean McCloud thinks Tricia is trippin when she tells him shes from the future. However, when Tricias predictions start coming true, Dean realizes maybe shes not a crazy chick after all. Someone wants him dead and they have until the stroke of midnight on New Years Eve to find out who or history will once again repeat itself.
