

## Pretty Maids All in a Row (A DCI Webb Mystery)

When newly wedded actress Jessica Randal accompanies her biographer husband to the country for a months research, she fully expects to be bored, especially with her leg in plaster following an accident on their honeymoon. The couple are the talk of the town - but not for the reasons you might expect. They soon learn they are renting the house of a murder victim, and that a rapist is at large who has singled her out. Jessica, caught in the melodrama of the not so sleepy town of Steeple Bayliss, is determined to keep her independence. But at what cost? Chief Inspector Webb and Sergeant Jackson pit their wits against a cunning adversary as everyone in the village including Jessicas husband is under suspicion...
