

Angel Girl :Hidden love (Volume 1)

A military youth has spent years away from home. He decides to return to his mothers farmhouse in the countryside. There he meets his old neighbors and friends, and among them, is Esmeralda, a girl with whom he always corresponded while he was gone. They grew up together and they only left each other because of his departure to join the Armed Forces. Alvaro hides an incurable illness from everyone. Upon his return to the countryside, he decides to marry Esmeralda. An old dream haunts him. He always dreams of a girl that is sitting on a swing. Her wings are enormous and white like the wings of an angel. However, her face is a mystery.
