

# ABCs: Second Coming and Tribulation Bible Prophecy in Revelation by John C. Bartee

The ABCs presents a foundational understanding of the Revelation of St. John to the inquiring reader. This work focuses on the prophecies in Revelation along with the oracles of the Jewish prophets as correlated common understanding of both their symbolic and literal meaning. It is the culmination of my graduate studies and a realization that the end times are rapidly approaching, as evidenced in the world news each night. The world stage is aligning with the ancient prophecies at an exponential pace. We need to get the message out and put current events in perspective, making Bible prophecy relevant to the average reader. The mysteries of this enigmatic final book of the Holy Scripture can be understood when they are analyzed within the matrix of a systematic and logical framework. The name of the Revelation in the original Greek means the uncovering of a mystery - what previously was hidden, being made clear. Prayerfully, the reader will find that this work helps further that ministry of the Holy Spirit. Whether an unbeliever or a prophetic scholar, the ideas included here will attempt to answer some previous interpretational confusion and hopefully inspire to a further walk with Christ and an expectancy of His soon return. Keep looking up!
