

## Trial by Fire: A BBW Shifter Serial (Sought by the Alphas Book 3)

Some things changed. The ritual left Gwynne stronger, more powerful. Improved, or so the alphas tell her. But now that she's back in her own time, she's confronted with a new future and a destiny unlike anything she'd imagined for herself. Will she find her way back to them? Will she ever have the two gorgeous men in her bed again? The story continues as Gwynne works her way towards the answers she's been seeking. Trial by Fire is approximately 23,500 words long, the third book in the Sought by the Alphas serial. Part four is due in early January 2015. Due to adult content, this book is not recommended for readers under 18 years old.
