

## The Bodyguard and The Snitch

Natasha risks more than her life when she guards a defense attorney targeted by the Mafia. Protection specialist Natasha Chamberlain thinks guarding a defense attorney from a disgruntled client should be a fairly normal job, but when she learns he's been targeted by the mafia, she's ready to call it quits. However, the attorney holds her to their contract and Natasha finds her own life placed in danger along with her bodyguard cohorts, Pit and Bigun. Natasha's fiancé Jonce Striker is fit to be tied when he learns this, which only confirms to him that the bodyguard field is too dangerous for his love. After Natasha is shot trying to protect her client, Striker delivers the final ultimatum: leave the bodyguard field or lose him. Natasha makes her choice but will she live to regret it?
