

Titus: #2 (Luna Lodge)

Kate Walker has had her fill of men. Her ex only used her to get to her best friend, and now her new boss seems to go out of his way to tick her off. It doesn't help that he's drop-dead gorgeous and built like a god. She just can't deal with his hot and cold attitude. As the leader of the genetically engineered hybrids of Luna Lodge, Titus knows getting too close to mouthy Kate isn't really a good idea. Too bad he can't seem to get away from her or get her out of his head. Everything about her keeps drawing them together, and his ability to resist her is weakening daily. Their shared attraction is put to the test when the dangerous Horatius Group makes its latest move against their former property, Titus and his fellow hybrids. When Kate is caught in the struggle, Titus will have to face a living nightmare or risk losing her forever.
