

When You Dare (Edge of Honor)

Professional mercenary Dare Macintosh lives by one hard and fast rule: business should never be personal. If a cause appeals to him and the price is right, hell take the mission hes offered. But then the lovely Molly Alexander asks him to help her track down the men whod had her kidnapped and for the first time, Dares tempted to combine work with pleasure. Fiercely independent, Molly vows to trust no one until shes uncovered the truth. Could the enemy be her powerful estranged father? The ex-fiance who still holds a grudge? Or the not-so-shy fan of her bestselling novels? As the danger heats up around them, the only anchor Molly has is Dare himself. But what she feels for him just might be the most frightening thing of all.
