

A Wedding in the Family (Back to the Ranch)

BACK TO THE RANCH Sister of the bride! Lillian has a mission: to stop her wayward sisters wedding! Not only will her grandmother cut both sisters off without a penny if it goes ahead but Rachel is also about to marry into the family of Texan rancher Rye Parrish. And hes just about the most self-satisfied, egotistical man Lilly has ever met! Rye is equally determined to stop the wedding. Only hes too proud to cooperate with Lilly. Just because shes heart-stoppingly pretty, that doesnt mean she isnt a spoiled little rich girl, just like her sister! Except, somehow, Lilly is beginning to seem a lot like his ideal woman, after all. Susan Fox entertains us with lighthearted scenes and witty dialogue. Romantic Times
