

Charm City (Tess Monaghan Novel Book 2)

As a practiced reporter until her newspaper went to that great pressroom in the sky, P.I. Tess Monaghan knows and loves every inch of her native Baltimore, even the parts being slobbered on by the sad-sack greyhound shes minding for her uncle. Its a quirky city where baseball reigns, but lately homicide seems to be the second most popular local sport. Business tycoon Wink Wynkowski is trying to change all that by bringing pro basketball back to town, and everybodys rooting fro him -- until a devastating, muckraking expose of his lurid past appears on the front page of the Baltimore Beacon-Light. Its a surprise even to the Blights editors, who thought theyd killed the piece. Instead, the piece killed Wink -- whos found in his garage with the car running. Now the Blight wants to nail the unknown computer hacker who planted the lethal story, and the assignment is right up the alley of a former newshound like Tess. But it doesnt take long for her to discover deeper, darker secrets, and to realize that this situation is really more about whacking than hacking. Its just murder in Baltimore these days -- and Tess Monaghan herself might be next on the list. As a practiced reporter until her newspaper went to that great pressroom in the sky, P.I.
