

Cale (Walk Of Shame #3)

My name is Cale Kinley and Im a fucking Virgin Well, with the exception of my tongue. The countless things I can do with my tongue are bound to leave you breathless and begging for more, but more is something that I cant give. Its a choice. My choice. Theres a reason for that. A very good reason, and that reason is her. Riley. Shes the only woman that I want to bury myself deep in. The one woman I have wanted since I was old enough to fuck. I never got my chance though, because she left. She had no choice and it stung like hell. But I couldnt let her leave without telling her how I felt. I wanted her to be my first and I didnt give a shit how long Id have to wait. Its been six years and now shes back and sexier than all hell. Just the sight of her stops my damn heart from beating. I want her and for more than just having her as my first. Im determined to have her in every way possible. She thinks this is still a game; that Ive already given myself to countless women. What she doesnt know is that I have a lot of willpower. When I want something as badly as I want her, I dont let shit stand in my way. Im going to prove that to her. Theres just one little problem I need to take care of Him.
