

SILVER: A Sexy Shifter Fairytale Romance (Sexy Shifter Fairytale Romances Book 5)

In all the best fairytales, bear shifters mate for life. Right? Silver Rose is on the edge of bankruptcy. The only way she can get enough money to pay off her bills is to live with the sister who betrayed her at their grandfathers isolated cabin in the Rocky Mountains. But, someone doesnt want the girls to succeed and is leaving nasty surprises, each one worse than the last. And now bankruptcy and getting close to her sister arent the only danger in the woods. Abe Beresford has seen the worst side of the mating bond and he never wants to be that attached to anyone. When he has a one night stand with Silver, hes confident there is no risk of falling in love or even worse, mating for life. But when he starts to feel more than just lust for the lovely Silver, he backs off, hurting Silvers feelings but protecting his heart. But Abe cant resist either Silver or the urge to claim his mate even if shes human and hasnt a clue about bear-shifters. And when Silver runs into trouble on the mountain, can Abe avoid the mating bond and still save her from a rabid attacker? Or is he doomed to succeed at rescuing her only to watch her walk away? Lions and wolves and bears, oh my. Discover why readers love the twisted tales of Jessica Aspens Sexy Shifter Fairytale Romance.
