This is the last book of the Daddys Sweetheart Series. Amelia is once again living with her Daddy. Brian wishes that he could read Amelias mind. He wants to understand why she left him. However, nothing prepares him for her answer. Will that solve their problems or make everything worse? Join Amelia and Daddy one last time as they fight with each other, and fight against those who would stop at nothing to ruin their marriage. This psychological thriller is just for ages 18 and up. It was a passionate kiss that left me breathless. His hands were on my back tugging at my nightgown, lifting it up. He removed it and then his own clothes. I was somehow mesmerized looking at him.
