

# Darius Jones

In Mary B. Morrisons new book, she returns to the lives of the characters made famous in the Soul Mates Dissipate series. Darius Jones is the basketball leagues most valuable player. His wife and son travel with him to away games; and his relationship with his parents has never been better. Hes doing well with everyone except his sons birth mother. When a drunk driver smashes into his car, his wife Fancy ends up in a coma with only a 50/50 chance of surviving--thats when the drama really begins.

With this release, Darius Jones cements his position as a brilliant, model jazz musician in the new century.
