

Deceived: Book Three of the Avery Tywella Series

Okay, so Avery Tywella isn't the half-Demon she always thought she was. But she's still a kickass Humans Rights agent, and this time, she just might have more than she can handle. Witches are disappearing. Normally that wouldn't be Avery's division, but the Humans who were close to the missing are having their minds manipulated, and when the bodies of one of the Witches and her Human husband are found, the killer turns out to be a creature of legend. With her last case still unsolved, Avery is forced to spread herself thin in order to try to find both killers. Luckily, she has a new partner to help her along the way. If only she can manage to keep their relationship professional. She must rely on her new abilities as well as the help of Atlanta's hottest Fallen to catch two uncatchable creatures. But when someone Avery is closest to is killed, she will do anything to seek vengeance.
