

Blood Draw (Blood Type Book 2)

After seventeen-year-old Blake Ehlert is brutally attacked and infected with vampire venom, she must choose between imminent death and eternal life. Unable to turn away from true love, Blake ultimately embraces the reality to which she's been doomed. But life as a teenage vampire proves to be a lot more difficult than even she bargained for.

In *BLOOD DRAW*, the much-anticipated sequel to *BLOOD TYPE*, Blake struggles with the relentless warring between her lingering human emotions and cravings for blood. To make matters worse, Blake finds herself caught on the cusp of revolt, led by the Chief of Police and towns most powerful vampire. In order to protect her human friends and family, as well as the vampires she's come to love, Blake must take a stand against those sworn to protect their very existence.
