

## Runway (A Love, California Series Novel, Book 3)

An engrossing view into the world of beautiful people. - New York Times and USA Today bestselling author Melissa Foster

After Fianna Fitzgeralds debut runway showing of her fashion designs, a walk on the Malibu beach with reclusive rock star Niall Finley nearly claims their lives when they get caught in high tides. Will the bond they form in those critical moments be enough to last a lifetime?

When Fianna left Ireland for America to follow her dream of becoming a fashion designer, she was determined to leave her familys ancient past behind and start fresh in Beverly Hills. Fianna never imagined that her goal would place her, and those who work for her, in jeopardy. From the fashion runways of Los Angeles to London, someone is trying to sabotage her debut season. As Fianna struggles between two vastly different worlds, her troubles mount, though her friends lend their support in her darkest hours. Is the terror linked to her familys ancient feudal past, or something else? Furthermore, can she leave Ireland with her heart intact, or will she lose it to only man shes ever loved?

Runway is the third book in the series (but can be read as a stand-alone novel). Follow a group of smart, stylish, entrepreneurial friends as they navigate the turbulences of modern life and love. Set in Beverly Hills with action flung across the globe, this engaging series features gutsy, determined best friends, and how they manage to live the lives of their dreams. NEW! A The Love, California series is a blend of womens contemporary fiction and romance with

strong female leads, close girlfriend friendships, and romantic relationships. The single women in the Love, California series are stylish, creative, and smart, but like any of us, they sometimes make mistakes. I really enjoy helping them overcome their challenges. Q Why should readers choose the Love, California series? A Because they're fun, vicarious stories ripped from the glamorous world of beauty, yet infused with deep friendships and romantic relationships. My award-winning books have reached the top ten bestseller list in prestigious Rizzoli Bookstore, and as high as #14 on the Amazon Top 100 List for paid books. And I'm thrilled that my historical romances, Scent of Triumph and The Winemakers, are published by St. Martin's Press, a leading New York publisher. Q And what kind of books do you like to read? A I read widely across genres. I love Barbara Taylor Bradford family sagas series, Lauren Willig historical fiction books, Melissa Foster romance novel series, Elizabeth Adler epic sagas, Anita Hughes contemporary fiction novels, Danielle Steel strong female leads, Michelle Gable Paris novels, Marie Force romance best sellers, and Candace Bushnell contemporary fiction bestsellers. These are the ones I love to snuggle with by the fireplace. Thank you for reading!
