

FAR-FC 2016: Federal Aviation Regulations for Flight Crew (FAR/AIM series)

This latest edition of pertinent parts of the Federal Aviation Regulations (FAR) has been fully updated and indexed to clearly reflect all the changes over the past year. The most relevant sections of Title 14 of the Code of Federal Regulations for pilots and aviation industry professionals are included. In addition to the regulations, free downloads and e-mail alerts of updates published in the Federal Register throughout the year are provided via the Aviation Supplies and Academics website. This updated flight crew regulations book reflects changes in aviation operations for pilots and flight crews, including flight crew member certifications, fractional ownership operations, certification for air carriers, and operating requirements for domestic operations.

Changes to the Federal Aviation Regulations can occur daily via the Federal FAR/AIM Series annually, providing online Updates and an email subscription ASAs 2017 FAR for Flight Crew book is current through June 6, 2016.
