

Farryns War (Exiles of the Drift)

An exiled ruler turned hired assassin, Farryn plots his revenge on his home planet while building a criminal empire on the human colony world of Far India. But when his former wife dares to follow him into human space and attracts the attention of Earth Central Security, Farryn is forced to choose between hatred and love, ambition and hearts desire. Described by Kirkus Reviews as a solid entry for readers craving new, original space operas, Farryns War promises to thrill fans of science fiction and romance alike in this first book of a new series by award-winning author Christie Meierz.
