

Unwanted Protector: Shape Shifter Paranormal Romance (Federal Paranormal Unit Book 3)

Jane Donovan has been living a lie. Every day for the past ten years, she's run from reality and the temptation that Tony Ramirez represents. But this year, Jane's getaway is filled with more than just relaxation; there's a dead man on her kitchen floor. Suddenly, keeping Tony away is the last thing Jane can do. Tony Ramirez has wanted Jane for ten years. While she may not be his mate, the attraction is undeniable. When he can't shake the feeling he needs to check on her, he decides to crash her vacation to ensure her safety. When he gets to her cabin, Jane is gone and nobody knows where she could be. Finding out who the dead man is may be the least of their troubles when a pint-sized, pink-haired little girl who needs help suddenly makes an appearance. Unfortunately for Jane, the trouble with a small lie is that it grows with time. The truth may come to light before she's ready. Now they have a murder, a child, a mystery, and the unwavering attraction to deal with.
