

# OVERSIZED (Naughty Older Man First Time Younger Woman Pregnancy Romance)

Its so big! With the house all to herself for the weekend, the untouched nineteen-year-old Grace decides to go next door to use the neighbors pool. But her intentions arent entirely pure. The older man next door is just too tempting with his hot body and the large bulge in his pants. One thing leads to another and all logic goes out the window when she sees his huge piece of equipment. Oh and one other thing: shes not on birth control.
