

## Bear Intentions - Part 1 - (Bear Shape Shifter BBW Paranormal Romance)

Overworked, underpaid...Abby needs a break. She wants a better life...she desires a better man. Abby is totally exhausted spending too much time looking for the perfect guy. Not only are all the men she dates shallow, but shes tired of experiencing the same disappointment in each of them. It seems that everyone in the city is only after the cute, skinny girls. Abby feels that theres nothing for her here except for work. Desiring to get her mind off her failed attempts at finding love, she expresses her insecurities to Noah, a popular and wealthy online friend. Theres nothing to worry about, Abby. Come here to Colorado, I have a nice home on the property. Making plans to meet him on a vacation, Abby travels to a small wildlife zoo that Noah runs. Packing her things for a lengthy trip, Abby sets out to meet Noah. They quickly hit it off as she discovers just how easy his life really seems. Noah makes her dinner and spoils her. He shows her an intimacy that shes never experienced with anyone before. However, Noah is hiding something and Abby is about to find out what it is. The situation turns grim when Priscilla shows up at Noahs zoo. Noah is a very physical man and even if hes been intimate with you already, its just because hes trying to be nice. Tensions are suddenly high and Abby is conflicted with who to trust. Noah is great with her, but is he really genuine? And who is this new woman who seems so intent on keeping Abby away from her new romantic interest? Is this to be a luxurious vacation that Abby always wanted or a rollercoaster of excitement and emotions? \*\*Part 1 of this hot and steamy BBW bear shape shifter romance.\*\* - Around 10,000 words.
