When murder suspect Cadence Jamison disguises herself as a boy and stows aboard the Heavenly Mistress Captain Curtis Langston may find his two past occasions for rescuing her more than he bargained for. Bitter and Cynical after service in the Confederate Army, Curtis believes himself no more deserving of another's love than capable of returning it. Content to drift through life free of emotional and therefore romantic complications the once carefree and mischievous rogue may be forever gone. But when Cadence appears in his life Curtis finds himself smiling again, smiling and dreaming and feeling more like himself than he has in five years. Drawn with almost unnatural force to the sweet and innocent goodness Cadence offers, Curtis blunders again and again to resist the pull of what a life with her could be. Can Cadence show this wounded soul how to love again? Or is he doomed to be forever unforgiven, haunted by the ghosts of his past?
