

Loving the Billionaire (Billionaire Brothers Book 3)

Heather Sampson is a woman on the run. Mentally and physically scarred after time spent at the mercy of Jude, a mad man, she ran from all of her problems. But tragic circumstances and a repeat of history has forced Heather to return to her old life. With her sister missing, Heather's one hope of saving her lies in the hands of the only man she has ever truly loved. Aaron Ashcroft is a billionaire tycoon. Handsome and deadly, he has long since given up all hope of getting back the woman he fell in love with two years before. That is, until the day she walks back into his life. Jude has plans for both her and Aaron. In a race for her life, will Heather trust Aaron? Or will her fear keep her from the man she loves and cost her everything?
