In the world of Supercross, taking the holeshot means one racer leaps ahead of the crowd and into first, leaving the rest of the pack behind. If Supercross racer Davey McAllister knows anything, its how to take the holeshot. When the hot rising start mechanic, Tyler Whitmore, shows up in his bed, Davey does just that. But, dating a competitors mechanic threatens to blow his ride if anyone finds out. With the fear of losing his sponsors, he has to keep his love life completely under cover, but Davey is in deep and wants to tell the world how much he loves Tyler. Tyler Whitmore wants to be out of the closet, but dating the competition is a death sentence for his career. Overprotective of Daveys reputation and his own dreams, Tyler refuses to commit to his lover and is afraid of falling hard. Will they ever be able to find their way through the Premiere racing league pitfalls and acknowledge their love?
