

Hot & Bothered (A Hostile Operations Team Novel - Book 8)

He can never have her. Having her means the end of his career in the Hostile Operations Team. But when he learns she's carrying his child, he'll have to make a choice. Ryan Flash Gordon has been drawn to Emily Royal bin Yusuf since the first moment he met her. But she's a terrorist's widow, which means she's completely off-limits. A HOT special operator can never be with a woman whose name is on government watch lists the world over. But when Emily begs him for just one night, he can't refuse. The next morning, she's gone. Not just from his bed, but from his life. Emily can never clear her name or can she? When a rogue CIA operative offers her a chance to put her past behind her and do something for her country, she leaps at the opportunity even though it means leaving behind the man she's fallen in love with. But not before she lets herself have one night with him. One night with stunning consequences. The Hostile Operations Team is back in this thrilling new novel of suspense by a USA Today bestselling author!
