

Kiss Of Fire

There's nothing more breathtaking than the kiss of a primitive, dangerous, and irresistibly beautiful man. Except a man who is also a dragon... When Arianna finds herself shaking hands with the castle blacksmith, Craig James, it's as though she had never laid eyes on a man before. He's not just handsome, he possesses an irresistible charm that leaves her powerless to resist. But what begins as a one-night stand with a mysteriously handsome stranger, turns into something more, as Arianna finds herself led into a world of mystery and magic... where tales of flying dragons, and dangerous witches come to life, and where nothing is ever what it seems. Can she bring herself to accept the beautiful stranger for what he really is, or will she be too afraid to believe in the magic that brought them together? The fires of passion have never burned brighter, the scorching flames fanning the hunger that burns within, until there is only one thing left to do: Give into its power or lose the chance to be loved unlike ever before.
