

Ill Be Slaying You (Night Watch)

Sandra Dee Daniels is a vampire's worst nightmare. Sure, she doesn't look threatening, but the monsters in her past and the stake in her boot are enough to keep most bloodsuckers interested in staying the hell away from her. But there are changes afoot on her turf. Rumors are circulating that a Born Master is in town - a vampire so powerful he can make the streets run with blood. And there's a new face in Dees grimy bars and alleyways - Simon Chase, a strong, sexy shadow with a haunted past of his own. Simon knows a lot about the dark side of Dees work. He knows even more about how to make her body spark with desire. But the hot lust shimmering between them is only the beginning of her troubles. Because Simon also knows a secret that will change Dees life forever - if she can live long enough to uncover it. A Night Watch novel by New York Times bestselling author, Cynthia Eden.
