Julia Parker would trade her secret gift to feel others emotions in a heartbeat, especially half the horny guys in school. After running out of gas and having no choice but to walk through the woods home, she feels something no one should feel: blood-lust. When trying to escape, she falls off a cliff. Who comes to her rescue? None other than a hot guy with super human strength. Only problem is, he's there when you need him and gone when you want him. Julia tries to forget what happened, but starts losing friends to these monsters. Unable to ask her rescuer for help, she has nowhere else to turn.
