

A Nice Clean Murder (Kate Ryan Mysteries Book 2)

A Nice Clean Murder, the second in the Kate Ryan Mysteries series, finds Kates brother-in-law, Mac, heir to a small family estate in the wild west of Ireland; bequeathed to him by an uncle he barely knew. Kate finds this a little suspicious, but as her family, she too is excited about Macs inheritance. When a young Irishman collapses on Kates doorstep, her suspicions are justified. She is now sure that Macs Uncle Brian did not accidentally fall off the cliff as reported. So, she agrees to accompany Mac and Teri on their trip across the Atlantic. Its good timing too, since things between Kate and Dr. Maggie Winfield are a little tense it seems the elusive Kate is still chasing her demons. Join Kate Ryan and her family on a historic, merry romp of murder and betrayal along the romantic, rugged coast of the Emerald Isle.
