

Just Watch Me... (Mills & Boon Blaze) (Midnight Fantasies, Book 3)

P.I. Jillian Hennessy is sure that her latest case will make her career. So when she discovers her technical team has wired the wrong house, she's pretty upset until images of her oh-so-sexy neighbor Cade Lawrence appear on her monitor. Images that Jillian has no business watching but can't take her eyes off. Undercover detective Cade Lawrence is on a surveillance mission only, he can't see past his gorgeous neighbor. It takes only one glimpse of Jillian's long legs to make Cade forget everything except his burning need to take her to bed. So when he discovers her equipment and learns that she's been watching him, Cade is surprised and thrilled! Because now he's in a position to show Jillian that touching can be much more fun than watching.
