Three Book Series Book 1: Im finally home after struggling through my brothers illness and death. But, home is definitely a bit different. My best friend (the only person alive now that knows my secret) has a new boyfriend; and he has a friend. Shane Maxton: bad boy, tattooed rock god, eye candy extraordinaire. He is also New York Citys most arrogant, self-serving, son of a, well, a definite one-night stand kind of a guy. But, it doesnt matter to me because Ive spent my existence looking for the love of my life, my angel. And, there is nothing that Shane Maxton can do to change that.

Book 2: After spending over 2,000 years being a lost soul looking for the angel I was forbidden to fall in love with, I finally found him. Lucky for me he has taken up residence inside the hot body of NYCs local bad boy, tattooed rock star, Shane Maxton. Turns out, not only is he absolutely perfect, so is the whole Grace Taylor life that Im stuck in. The only problem is Gabriel. An archangel who wants me all to himself so he kind of kidnaps me. Now I have to find my way back and hope everything works out

Book 3: Shane Maxton is front man for New York Citys popular rock band, Mad World. But he has secrets; hes not what everybody thinks he is. He comes from an ancient world, from a different time, when angels walked among men. Read the story, through Shanes eyes, of his forbidden love, his fall from grace and his inner turmoil from living with the irrational emotions of being human.
