

No Dreams Allowed: A Billionaire Romance

A curvy country girl. A runaway billionaire. One impossible dream. Her backs against the wall ... Cassie Hamiltons dream of becoming a veterinarian died with her parents -- now all she has is a mountain of medical debt and a run-down bar. She wishes the universe would cut her a break, but finding a naked guy in the back of her pickup truck isnt exactly what she had in mind, even if he does look like a lusty Viking warrior. Hes looking over his shoulder ... Dave Dallstrom wants to design the cities of the future but his arms-dealing billionaire father is determined to force his son into the blood-soaked family business. So Daves on the run but working as a fry cook at a roadside dive bar in the most forgettable corner of Kansas doesnt exactly fit into his plans, even if the curvy proprietor is the best thing hes ever seen. Now theyre both out of options. The bond between Cassie and Dave is put to the test when Daves father catches up with him. Can they escape together and grab hold of their dreams, or will life tear them apart?
