

# NORDIC: North Sea Emergency Towing Vessel

Shipping is booming in the North Sea, notorious for its unpredictable weather conditions and dangerous seaways. An increasing number of vessels and above all larger ships carrying cargo that can pollute the environment operate in the North Sea, which is one of the busiest sea areas.

Water ingresses into the ships body, an explosion happens aboard or the electrical steering suddenly fails. These worst case situations can make a ship a The new Emergency Towing Vessel (ETV) Nordic entered service for to replace existing vessels carrying out ETV roles in the North Sea andIn 1998, the German North Sea Coast Protection Association determined they urgently needed a modernized emergency tow vehicle after the cargo freighterCLAKMKOXYM01 < Book Nordic - North Sea Emergency Towing Vessel: To Ensure That an Accident Nordic - North Sea Emergency Towing Vessel: ToBuy Nordic - North Sea Emergency Towing Vessel: To Ensure That an Accident Does Not Become a Catastrophe by Peter Andryszak (ISBN: 9783782210485)Pris: 107 kr. inbunden, 2011.
