

A Risk Worth Taking (Grayson County Book 1)

Is Love Worth the Risk? When 22-year-old Summer Staffords parents split halfway through her senior year at college, her world is rocked. Reeling from the divorce, Summer derails her own future by giving up her lifelong plans for a big-city career and moving home to the farm. Maybe coming home will help her figure out where it all went wrong and prevent it from happening to her someday. Ford ONeals future involves one person: himself. He doesnt have a permanent address and he definitely doesnt commit. To a place or a person. He plans just far enough ahead to secure his next stop and lands at a work-study program at Heritage Plantation where he can grow his own herbal creations. Summer is gorgeous and smart and fun to be with, the perfect way to pass five months. It wont be loveFords got too many things to accomplish, too many places to go, before he settles down. Yet Summer pulls him in, challenging him to rethink his own philosophy. When Fords five months are up, each of them must decide if love is really worth the risk. A Risk Worth Taking is a sexy & sweet coming-of-age novel with a taste of country & cowboy, perfect for New Adult and Adult Contemporary Romance readers.
