

## For Joey: A love story (Rockland Ranch series Book 4)

He didnt mean to mislead her. She didnt mean to fall in love with him. Joey Rockland is the only sister among 6 brothers on the sprawling Rockland Ranch. Leggy, beautiful, and the best darn exotic sports car mechanic in the whole valley, Joey has lots of male admirers, but no one who actually makes her feel emotional fireworksuntil an intriguing and hunky Easterner shows up. Burnt out with high society, lonely, and mourning his fathers recent death, when New York banking tycoon Michael Morgan accepts a friends offer to use his remote ranch house in Wyoming, he has no idea what hes getting himself into. Thinking he will lick his wounds alone and unknown out west, Michael is surprised when even though he doesnt tell anyone who or what he is, hes cheerfully swallowed up into the huge Rockland family. Their world of brown eggs, homemade bread, anonymous acts of service, and unlocked doors is like a foreign country to him sometimes. Still, their slightly boisterous, yet always entertaining welcome is exactly what his thrashed spirit needs. Now if he can just make Joey realize that hes exactly what she needs as well.
