

Now or Never (Prime Time Book 3)

Now or Never is the third book in the contemporary womens fiction/family saga series, Prime Time, which began with Anna Masons story in Auld Acquaintance. In this book, two of Annas dear friends travel to Italy for very different and urgent family reasons. Will Maria find common ground at the villa with her rebellious teenage daughter before it is too late? Will Susan persuade her husband, Jake, that a new, unproven treatment for multiple sclerosis may be a risk they cannot afford to take? Anna helps both her friends from a distance then draws them together for an unexpected event that provides an exciting conclusion.
