

A Promise to Protect (Logan Point Book #2): A Novel

In a steamy small town riddled with broken promises, one woman's secret could change everything. Acting Sheriff Ben Logan hasn't heard from Leigh Somerall in a very long time, but it doesn't mean he can get her--or their whirlwind romance of ten years ago--out of his head. When she calls out of the blue, it is with a strange request to protect her brother, Tony. But all too soon, Ben is charged with a different task--protecting Leigh from the people after her brother. With Leigh doing everything in her power to avoid Ben, it's no easy task. And the secret she is keeping just may change their lives forever. A taut story of mistakes and betrayal, a mother's fierce love, revenge and danger--and the redeeming wonders of faith and love.--Lorena McCourtney, author of the Cate Kinkaid Files and the Ivy Malone Mysteries Old secrets, second chances at love, and a skillfully crafted small-town suspense. You will fall in love with Ben and Leigh and cheer them on as they fight for their happy ending.
