

Sins of the Soul (Mills & Boon Nocturne)

Alastors world shattered when he learned that his father was the Underworld god of chaos and evil. All that saved him from self-destruction were his newfound brothers and the bond they shared as soul reapers. So when one of his brothers is murdered, vengeance becomes Alastors obsession. And the enigmatic Naphre, a witness or is she the killer? has the answers he seeks. A reluctant Underworld enforcer, Naphre trusts no one, especially not a seductive soul reaper who makes her burn with lust. Torn between duty and desire, she fights to keep her secrets safe from Alastor, even as she longs to surrender
