What if your family held an ancient secret? A secret passed down from one generation to the next. An enigma so great that it would shatter your world, change the fabric of your life. What if the time had come for you to be initiated into that secret life? Lord Jadeon Artimas, heir to St. Michaels Mount in Cornwall, discovers his family belongs to a clandestine order known as the Stone Masters: A collection of brave men whose sole, sacred duty is to hunt down and kill the mythical creatures of the night, known as vampires. Jadeon's epic journey draws him into the underworld that stretches across lifetimes teeming with coded messages and castles with revelations in each mysterious passageway. He must face his deepest, darkest fears to outlive a journey of seduction, honor, and betrayal. As the sinister truth is unraveled, the foundation of a legacy is shaken to its core, putting the very existence of the Stone Masters in jeopardy. Only by accepting his family's history can Jadeon confront the dangers, solve the mysteries, and truly become a Stone Master.
