

## Strong Enough: A Contemporary Gay Romance (Family Collection)

When a casual hookup turns into the potential for love, staid Spencer realizes he wants to build a life with vibrant Emilio. When twenty-two-year-old Emilio Sanchez sees handsome Spencer Derdinger walking by his construction site, Emilio makes it his goal to seduce the shy professor. Getting Spencer into bed isn't difficult, but Emilio soon learns that earning the trust of a man deeply hurt will take time and patience. With a prize like brilliant, sweet Spencer on the line, Emilio decides he is strong enough to face the challenge. Spencer is surprised when he's approached by the gorgeous construction worker he's admired from the safety of his office window. Acting spontaneously for the first time in his thirty-eight years, Spencer takes Emilio home. When the casual hookup turns into the potential for love, Spencer realizes that if he wants to build a life with Emilio, he'll need to be strong enough to slay his personal demons and learn to trust again.
