

Shift (Shifters)

SOMETIMES YOU HAVE TO MAKE A TOUGH CHOICE, KNOWING IT MIGHT GET YOU KILLED. When vicious half-human, half-bird creatures kill two of her Pride and kidnap young tabby Kaci, sassy werecat Faythe is ready to wage war. Yet with an injury preventing her from shifting into cat form, Faythe has to rely on her intelligence and the help of hot-headed enforcers Marc and Jace, who are both ready to do battle for her heart. With only forty-eight hours to save Kaci, Faythe faces impossible choices in the biggest test of her Alpha potential yet. A MUST-READ for fans of KELLEY ARMSTRONG. I look forward to reading the next book in the series. Charlaine Harris on Stray
