For him, everything had fallen into place... Levi Dorsey didn't want much and never complained. The private, sexy bar owner was content in his life and excited to move forward with his new business project. There was just one problem--he'd never been able to forget about that kiss...or about her. For her, everything had fallen apart... Shelby Kellan was once confident in knowing who she was and what she wanted. But recent events caused the gorgeous, blue-eyed beauty to barely recognize the woman she saw when she looked in the mirror. She knew she needed a fresh start. Could she do it with his kiss still lingering on her lips? Eighteen months ago, Levi and Shelby shared the perfect kiss. Now, he wanted more, but would she be able to give that to him after already losing so much? \*\*Authors Note: Each Hope Falls full-length novel can be read as a stand-alone\*\*
