

## The Baxters: She Found Us: Book 1 (Volume 1)

Mitch has lived a tough life but she's found a way to make it good for her and her daughter. Staying alive and away from her psychotic ex takes her to the best thing that's ever happened to her. When she thinks this Greek God of a savior is too good to be true he tells her his dream to find a woman for him and his cousin. With her genius over-achieving brain running in every direction at once it ends up being the men with their heads spinning because of a little woman with her mini-me of a daughter. With suggestions from her men Mitch starts making money and a name for herself. Jamie and Kevin are challenged to find balance in the relationship while keeping Mitch and Jess safe.
