

The Do-Over

Genre: Erotic Contemporary Arrogant womanizer Kyle Manchester hates blind dates; however, when best friend, Brad calls in a favor, insisting Kyle take out his girlfriends sister, Kyle reluctantly agrees. Attorney Lanie Carmichaels appearance is no surprise. She is dowdy, awkward, and dressed in so many layers she resembles a wedding cake, but not in an edible way. Her brazen attitude though, astonishes him, especially when she explains she has no interest in gorgeous Kyle. Lanie Carmichael is in love with Brad, and wants Kyles assistance in winning his best friends heart. Kyle gradually accepts, justifying that the mystery of Lanie has sparked his natural, thirsty curiosity. As an ambitious journalist, he also cant resist the Pulitzer worthy scoop she offers him. However, as Lanie sheds more layers, both emotionally and physically, Kyle begins to examine his life choices, and his true feelings for this enigmatic girl. With Kyles support, Lanie begins to unravel the secrets of her past, and the deep pain that has quietly defined her life. As they each learn more about themselves and each other, both question how a relationship built on fraudulent lies between two broken people could ever survive.
