

The Eskimo Slugger

Its the summer of 1983, and Trent Days is Major League Baseballs rookie sensation. Born in Alaska to an Inupiat mother, the press have dubbed him the Eskimo Slugger, but a midseason collision at home plate temporarily halts his meteoric rise to the top. Sent back to Austin to recuperate, Trent visits his favorite record store, Inner Sanctum, where he meets amiable law student Brendan Baxter. A skip in the vinyl of New Orders Blue Monday drives Trent back to Brendan, and their romance takes them into uncharted territory. As Trents feelings move from casual to serious, hes faced with an impossible dilemma. Does he abandon any hope of a future with Brendan and return to the shadows and secrets of professional sports? Or does he embrace the possibility of real love and leave baseball behind him forever? As he struggles with his decision, Trent embarks on a journey of self-discovery to figure out who he really is and what matters most.
