

Hinckley Triumph Triples & Fours 750, 900 (The Essential Buyers Guide)

There are very few books about the Hinckley-built Triumphs, and none will tell you what to look for when buying one secondhand. That's what this book is about - it is a straightforward, practical guide to buying a used modern Triumph. It doesn't list all the correct color combinations for each year, or analyze the bike's design philosophy, or consider its background as part of a reborn industry, but it will help you avoid buying a dud. Point by point, it takes the reader through everything that needs looking at when buying a Hinckley Triumph, plus spares prices, which is the best model to buy for your needs, and a look at auctions, restorations and paperwork.

Series Cafe Racer Phenomenon, The (Walker) Essential Buyers Guide Series 650 Twins (Henshaw) Hinckley Triumph triples & fours 750, 900, 955, 1000, Hinckley Triumphs: The First Generation (Crowood Motoclassics). +.
