Lincoln Kyle thought bringing Angelique Donovan in would be a routine job, but that doesn't turn out to be the case. Angelique is feisty, silver-tongued and so damned sexy it takes all of his restraint to keep from touching, tasting and caressing every inch of her curvy body. Lincoln is stubborn, determined and such an alpha male he borders on being a jackass, but there is something about him that draws Angelique unlike any other man she's known. In the days and nights that it takes them to travel across country, the fugitive and the hunter come to realize there is a fine line between love and hate. Length: Approx 26,000 words \*\*\*Warning: This book contains explicit language and sexual content. Meant for adults aged 18+\*\*\*
