

Keeper (Keeper Series, Book 1)

When denial mixes with obsession, its a recipe for disaster ...Olivia Marshalls life was idyllic until it all came crashing down ten years ago. Now, shes looking for a way out of the crushing reality of the past that threatens to consume her, and to escape the man who wont let her forget it. However, when Jake McCloud careens into her life, Olivia dares to dream of a better future, with him. But someone else has other ideas ...Nick Moretti saved Olivias life all those years ago. They both lost everything that night, and hes determined not to lose her too. In fact, hes hell-bent on salvaging what remains of their shared tragedy, hell-bent on making her face him and their past. But most of all, hes hell-bent on keeping her where she belongs ... with him. (Mature themes and sexual content for 18+) NOTE: Book 1 sets the foundation for Olivia, Jake, and Nick and their ultimate collision course. There are many unanswered questions in this first installment, intentionally. Book 2 contains the answers, and Book 3 is the resolution.
