Excerpt: Each of us has moments of impact in life. Sometimes it's in the form of love, and sometimes in the

form of sadness. It is in these times that our world changes forever. They shape us, they define us, and they transform us from the people we once were into the people we now are. The summer before my senior year of High School is one that will live with me forever. My parents relationship was on the rocks, my brother was more annoying than ever, and I was forced to leave the world I loved and cared about in Seattle. A summer of change, a summer of growth, and a summer I'll never forget. Also be sure to check out the next in the series, Finding Love. Each book in the series can be read as a standalone novel. Be sure to check out the Christian romance firefighter series EMBERS & ASHES.
